ABOUT MENSA

There are many puzzles on the market,
but none of them have the strength of the Mensa brand.

With a public recognition of over 80%, for over 70 years Mensa has
continued to be the world's leading intellectual organisation.

Mensa is the benchmark of intelligence and only a Mensa puzzle
offers the quality and seal of approval of a globally recognised organisation.

The refreshed retro style guide with clever humour has
opened the brand to a wider demographic.
